Legal information on proxy voting by the voting representative of the Company:

The company proxy is obliged to exercise voting rights on the agenda items exclusively in accordance with your instructions on the management's proposed resolutions as published in the Federal Gazette (Bundesanzeiger) in the notice convening the Annual General Meeting. In the absence of instructions or if the instructions given to the proxy are not clear, the Company proxy will not cast any votes or will abstain from voting on the management's proposed resolutions as published in the invitation to the Annual General Meeting in the Federal Gazette.

The Company proxy will not cast any votes or will abstain from voting on a counterproposal or a nomination by shareholders on the agenda items announced, on votes not known in advance of the Annual General Meeting (e.g. on procedural motions), and on management proposals that deviate from the resolution proposal announced in the notice convening the Annual General Meeting in the Federal Gazette. The exercise of the right to object, speak, ask questions and propose motions by the Company voting rights representative is excluded.

Authorizations and instructions to the Company proxy must be received by the Company no later than September 19, 2022 (24:00 CEST) at the address, fax number or e-mail address stated in the authorization form. In addition, we offer shareholders, shareholder representatives or their proxies attending the Annual General Meeting the option of also authorizing the Company proxy to exercise voting rights in accordance with instructions during the Annual General Meeting.

In the event that the proxy has received several powers of attorney with instructions and/or by different means of transmission (mail, fax, email, Internet), the most recently received valid power of attorney with the corresponding instructions shall be deemed binding. Powers of attorney and instructions to the proxy are revocable or amendable in text form. Even after granting a power of attorney to the Company proxy, you or a third party authorized by you are entitled to attend the Annual General Meeting on September 20, 2022 in person and exercise your voting rights. Registration in person by you or your representative at the entrance to the Annual General Meeting shall be deemed revocation of the proxy/instructions for the proxy.

The exercise of the authorization through the proxy is subject to disclosure of the name of the authorizer. By issuing the power of attorney and instructions, you accept the "Statutory Information on Voting by Company Proxies".
